Virtual - IWCF Level 4 Drilling Well Control (Surface & Subsea)

Duration	5 Days
Target group	<p>The IWCF Level 4 Drilling Well Control course is essential training for those working in wellsite supervisory roles and for office-based personnel that are primarily involved in the operational decision-making process and/or well design, such as a Drilling Supervisor, Superintendent of Company Man, Tool Pusher, OIM, or Rig Manager. The course aims to build on Level 3 course content (including kick detection and shut-in) and focus on more complex aspects of well control and well kill methodology.</p> <p>Please note: IWCF training levels 2 to 4 are designed to be sequential and first-time candidates are expected to complete Level 2 before progressing to Level 3 or Level 4. However, the training levels are also designed to be role-specific and dependent on the candidate's work experience. For guidance and advice on which level of training you are eligible for, please get in touch.</p>
Prerequisites	The candidate must be pre-registered with IWCF and able to provide his/her 6-digit IWCF Candidate Registration (CR) Number.
Objective	The IWCF Level 4 Drilling Well Control course is essential training for those working in wellsite supervisory roles and for office-based personnel that are primarily involved in the operational decision-making process and/or well design. The course aims to build on Level 3 course content (including kick detection and shut-in) and focus on more complex aspects of well control and well kill methodology.
Contents	This course is delivered through presentation of a series of interactive lectures supported by videos and animations, group discussion, and drilling simulation exercises, supplemented by a self-study exercises. Level 4 training may be partly combined with Level 3 training for common modules and during simulator-based training with each candidate assuming their respective role as per normal drilling operations.
Exam	Successful completion of the course and a pass mark of 70% or above in all IWCF practical and written assessments will result in IWCF Level 4 certification which is valid for two years upon completion.
