

OTC510-L

IADC WellSharp Well Servicing Oil and Gas Operator Representative

Duration	4 Days
Target group	The IADC WellSharp “Well Control for Drilling Operations – for Drillers” course has been designed for anyone expected to shut-in a well, such as drillers and assistant drillers.
Prerequisites	Prior IWCF or IADC certification at Introductory or Driller Level is recommended but not mandatory. The training is role-specific so previous experience in an assistant driller or driller role during drilling operations is assumed. Please contact us to discuss delegate suitability if you have any doubts or queries.
Objective	The IADC WellSharp Driller Level Well Control course is essential training for those currently working in a role that is expected to shut-in a well. The course aims to reinforce and improve the candidate’s existing knowledge and appreciation of the various stages of shutting-in a well; from kick detection to shutting in the well, to monitoring once the well is shut in and monitoring the well-kill operation.
Contents	<p>The course is delivered over 4 days through presentation of a series of interactive lectures supported by videos and animations, supplemented by a classroom workbook and further self-study exercises and practical work on a drilling simulator.</p> <p>Topics covered include:</p> <ul style="list-style-type: none"> •Drilling, Workover & Completion Plan - Awareness •Shut In Procedures & Verification •Well Control Concepts •Post Shut In Monitoring & Activities •Mud & Pit Management •Pre-Recorded Data Well Control Methods •Casing & Cementing Considerations •Causes of Kicks •Risk Management •Barriers •Equipment •Shallow Gas, Water Flows & Tophole Drilling •Extract of Subsea Elements •Abnormal Pressure Warning Signs •Well Control Drills •Kick Detection •Well Control Practice with Simulators •Hands-on simulation exercises will be conducted
Exam	Successful completion of the course and a minimum score of 75% in the written assessment and 70% in the practical skills assessment will result in IADC WellSharp Supervisor Level certification which is valid for two years.
