

OBS633

P.E.C. Basic Orientation

Duration	1 day
Target group	This orientation provides general safety information that workers need to know before entering a company facility and while performing their assigned work duties.
Prerequisites	None
Objective	SafeLandUSA 2021 Basic is a one-day safety orientation that is accredited by both SafeLand™ and SafeGulf. This course meets 30CFR 250 and API RP 75 and API RP T-1. In this course, students will learn about hazards they may encounter in their workplace and become familiar with various practices to mitigate those hazards. Students will also gain understanding of their rights under OSHA and how those rights apply to their workplace.
Contents	<p>Meets Standards:</p> <ul style="list-style-type: none">- SafeLand- SafeGulf (30 CFR 250 (SEMS II) & American Petroleum Institute (API RP T-1)- OSHA 29 CFR 1910- OSHA 29 CFR 1926- American National Standards Institute (ANSI) <p>Course Components:</p> <ul style="list-style-type: none">- Introduction to IOGP Life-Saving Rules- Safety Culture- General Safety- Hazard Control- Personal Protective Equipment- IOGP Bypassing Safety Controls Life-Saving Rule- Hazard Communication Standard- Environmental- Industrial Hygiene- Emergency Action Plans- Excavation and Trenching- IOGP Hot Work Life-Saving Rule- IOGP Energy Isolation Life-Saving Rule- IOGP Confined Space Life-Saving Rule- Electrical Safety- IOGP Working at Heights Life-Saving Rule- IOGP Safe Mechanical Lifting Life-Saving Rule- IOGP Line of Fire Life-Saving Rule- IOGP Driving Life-Saving Rule
