## FOET CAEBS 5850 - Further Offshore Emergency Training with Compressed Air Emergency Breathing System

<b>Duration</b>	1 day
<b>Target group</b>	This Product is to meet the further offshore safety and emergency response training requirements for personnel working in the offshore oil and gas industry who will be supplied with a compressed air emergency breathing system (CA-EBS) during offshore helicopter travel.
<b>Prerequisites</b>	<p>Training entry and medical entry requirements must be met. The FOET (with CA-EBS) is open to persons who have a valid (in-date) OPITO-approved BOSIET (with CA-EBS), BOSIET(with EBS), TBOSIET, FOET (with CA-EBS), FOET(with EBS) or TFOET certificate.</p> <p>Training activities contained within this Product may include physically demanding and potentially stressful elements. All personnel who participate in such activities must be capable of participating fully. Trainees will undergo a medical screening by completing an appropriate medical declaration form at center.</p>
<b>Objective</b>	<p>This Product provides learners with the opportunity to practice and demonstrate emergency response skills which are not possible to practice during drills, exercises and emergency training offshore.</p> <p>The objectives of the FOET (with CA-EBS) are that learners will be able to:</p> <ul style="list-style-type: none"> <li>(a) Demonstrate, in a simulated environment, that they can use the safety equipment and follow procedures in preparing for and during helicopter emergencies – with particular focus on escaping from a helicopter following ditching.</li> <li>(b) Demonstrate that they can use basic firefighting equipment effectively, and use self-rescue techniques in low visibility and completely obscured visibility situations e.g. smoke filled areas.</li> <li>(c) Demonstrate that they can perform basic first aid.</li> </ul>
<b>Contents</b>	<p>The topics covered during this training are:</p> <ol style="list-style-type: none"> <li>1. Further Helicopter Safety and Escape CA-EBS using a Modular Egress Training Simulator (METS)</li> <li>2. Further Firefighting and Self Rescue</li> <li>3. Further Emergency First Aid</li> </ol>
<b>Exam</b>	To achieve the FOET CA-EBS training, the learner will need to complete the 3 mandatory units.
