

IOSH Managing Safely (Virtual)

Duration	3 Days
Target group	Managing safely is for managers and supervisors in any sector, and any organisation. It's designed to get managers up to speed on the practical actions they need to take to handle health and safety in their teams.
Prerequisites	There are no pre-requisites for the IOSH Managing Safely course
Objective	Managing safely won't turn delegates into safety experts-but it will give them the knowledge and tools to tackle the health and safety issues they're responsible for. Importantly, it brings home just why health and safety is such an essential part of their job.
Contents	<ul style="list-style-type: none">Introducing Managing safelyAssessing risksControlling risksUnderstanding your responsibilitiesIdentifying hazardsInvestigating accidents and incidentsMeasuring performanceProtecting our environment
Exam	<p>Delegates understanding of health and safety basics is evaluated using multiformat questions and a risk assessment project.</p> <p>Successful delegates are awarded an IOSH Managing safely certificate</p>
