

RFIBE002

GWO Fire Awareness Refresher

Duration ½ day

Target group Personnel working in the wind industry or related fields needing to refresh their GWO Fire Awareness Module

Prerequisites Valid GWO Fire Awareness certificate

Objective The aim of this Fire Awareness Module is to review and build on previously gained knowledge and skills through theoretical and practical training so that delegates can prevent fires, make initial and appropriate judgement when evaluating fire and if it is judged to be safe, to efficiently extinguish an initial fire by using basic hand held fire fighting equipment in accordance with GWO Refresher Fire Awareness training.

Contents

- Introduction
