

Virtual - IWCF Level 4 Well Intervention Pressure Control

Duration	5 Days
Target group	<p>The Level 4 (Supervisor) Well Intervention Pressure Control training and certification is recommended for those working in roles such as Well Services Supervisor, Completion Supervisor/Service Leader, and others with a requirement to hold an IWCF certificate.</p> <p>Please note: IWCF training levels 2 to 4 are designed to be sequential and first-time candidates are expected to complete Level 2 before progressing to Level 3 or 4. However, the training levels are also designed to be role-specific and dependent on the candidate's work experience. For guidance and advice on which level of training you are eligible for, please get in touch.</p>
Prerequisites	<p>Our virtual classroom requires minimal IT requirements – a laptop / desktop / tablet with speakers, a microphone, a webcam, and an internet connection (with 2Mbps up/down-load speeds).</p> <p>The candidate must be pre-registered with IWCF and able to provide his/her 6-digit IWCF Candidate Registration (CR) Number.</p> <p>Prior certification and previous experience in a supervisor role during well services operations is required. Please contact us to discuss candidate suitability if you have any doubts or queries.</p>
Objective	The aim of the IWCF Level 4 (Supervisor) Well Intervention Pressure Control course is to develop the candidate's knowledge and understanding of well intervention pressure control. The Level 4 course focuses on the duties and responsibilities of an individual working in a supervisory role.
Contents	This 5-day virtual instructor-led course is delivered through presentation of a series of interactive lectures supported by videos and animations, supplemented by self-study exercises. The course is delivered over 5 days and includes IWCF written assessments on the final day.
Exam	<p>Candidates must select a minimum of 1 optional well intervention module from the 3 available to be assessed in.</p> <p>Optional modules are i) Coiled Tubing Operations, ii) Wireline Operations, and ii) Snubbing Operations.</p> <p>Please be advised that the selection cannot be changed once the assessment is completed.</p> <p>Successful completion of the course and a pass mark of 70% or above in all IWCF written assessments will result in IWCF Level 4 certification which is valid for two years.</p>
