

## Sparrows Rigger Stage 3 Assessment

<b>Duration</b>	2 Days
<b>Target group</b>	The Rigger Stage 3 Assessment is for personnel who want to become a Sparrows-certified competent rigger.
<b>Prerequisites</b>	Delegates must have completed formal training and be able to provide evidence. A fully completed, valid logbook based on the Rigger Stage 2 requirements OR a formal letter from the delegate's employer stating that they have met the equivalent of Stage 2 experience are accepted as proof of eligibility for Stage 3 Assessment.
<b>Objective</b>	The aim of the course is to establish that delegates have the required knowledge, understanding and practical skills to fulfil the role of rigger safely and effectively.
<b>Contents</b>	<p>The course consists of a mix of ongoing theoretical and practical assessment designed to give delegates the opportunity to demonstrate their knowledge, understanding and/or skills in the following areas:</p> <ul style="list-style-type: none"><li>• Effective and safe lifting techniques</li><li>• Hazard identification and risk mitigation</li><li>• Production of lift plans</li><li>• Effective communication with rigging team</li><li>• Lifting equipment – storage and inspections</li><li>• Health and safety legislation and associated regulations</li><li>• Post-lift procedures</li></ul>
<b>Exam</b>	<p>The course is an ongoing assessment during which delegates will be required to demonstrate their knowledge and understanding of the course contents.</p> <p>Upon successful completion of the course, delegates will be awarded with a Sparrows-approved Rigger Stage 3 Assessment certificate.</p> <p>Certification is valid for 2 years. Prior to expiry, delegates must complete either the Stage 3 Re-assessment or the Rigger Stage 4 Re-assessment to remain certified.</p>
