

## Fire Prevention and Fire Fighting

|                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Duration</b>      | 2 days                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| <b>Target group</b>  | This course is designed for all seafarers working on ships, vessels or mobile offshore installations. The course covers requirements specified by the IMO STCW 1978.                                                                                                                                                                                                                                                                                                  |
| <b>Prerequisites</b> | All delegates must be in possession of a valid medical certificate.                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Objective</b>     | During the course delegates will demonstrate to a minimum standard of competence set out in STCW 95: Table A-VI/1-2 Fire Prevention & Fire Fighting                                                                                                                                                                                                                                                                                                                   |
