

OFIMY006

Helideck Emergency Response Team Member (HERTM) Training (OPITO Approved)

Duration 4 Days

Target group This OPITO approved course is designed for personnel designated as Heli-deck team members on offshore installations.

Prerequisites A valid OPITO Helideck Operations Initial Training Certificate. All delegates, prior to participating in practical exercises, must be in possession of a valid, current offshore or operator approved medical certificate.

Objective During the course delegates will learn and demonstrate to a level of competence on how to operate fire fighting and fire protection equipment and how to deal with various fire situations on heli-deck. Emphasis will be on working as a team under the control of a Helicopter Landing Officer.
