

CCNSG Safety Passport Refresh

Duration 1 day

Target group The aim of these Health and Safety Awareness Training Courses, operated under the Client/Contractor National Safety Group Scheme, is to ensure a basic knowledge of health and safety for all site personnel to enable them, after appropriate induction, to work on site more safely with lower risk to themselves and others.

Prerequisites To be eligible for this refresher/renewal course you must hold a valid CCNSG Safety Passport.

The CCNSG Safety Passport Renewal Course has been developed by the ECITB to bring CCNSG Safety Passport Holders up to date with the latest developments legislatively and non-legislatively.

The delegates must therefore bring 2 x passphoto for this use when joining this course.

Objective The training is delivered by theoretical input and discussions based on set safety modules
Delegates on all courses are assessed by multi-choice examination of questions based on the subject matter delivered in each module.
