IADC WellSharp Supervisor Level Drilling + Workover/Completion (Surface & Subsea)

Duration	5 Days
Target group	The IADC WellSharp Supervisor Level Drilling course including the Workover/Completions supplement is designed for drilling personnel working in a supervisory role and engaged in completion and workover operations.
Prerequisites	Prior IADC or IWCF certification at Driller or Supervisor Level is required. The training is role-specific so previous experience in a supervisory role during drilling operations is assumed. Please contact us to discuss candidate suitability if you have any doubts or queries.
Objective	The IADC WellSharp Supervisor Level Drilling course including the Workover/Completions supplement is essential training for those primarily involved in the operational decision-making process of well control during drilling, workover, and completion operations. The course aims to build on the Driller Level course content (including kick detection and shut-in) and focus on more complex aspects of well control and well kill methodology.
Contents	The course is delivered over 5 days through presentation of a series of interactive lectures supported by videos and animations, supplemented by a classroom workbook and further self-study exercises and practical work on a drilling simulator. The following topics will be covered during this course: > Drilling, Workover & Completion Plan - Awareness > Abnormal Pressure Warning Signs > Well Control Concepts > Kick Detection > Mud Pit Management > Well Control Drills > Pre Recorded Data > Post Shut In Procedures and Verification > Kick Prevention during Drilling > Post Shut in Monitoring and Activities > Casing and Cementing Operations > Risk Management > Barriers > Well Control Methods > Shallow Gas > Water Flows and Tophole Drilling > Hands-on simulation exercises will be conducted
Exam	Successful completion of the course and a minimum score of 75% in the written assessment and 70% in the practical skills assessment will result in IADC WellSharp Supervisor Level certification which is valid for two years.
