OFE029

Combined FOET with CAEBS & EBS

Duration	1 Day

Target group	All personnel who hold a valid BOSIET or FOET certificate and are required to have the skills to use both CAEBS and EBS during offshore helicopter travel.

Prerequisites	All delegates must hold a valid and in-date OPITO-approved BOSIET, BOSIET (with CAEBS), BOSIET (with EBS), TBOSIET, FOET, FOET (with CAEBS), FOET (with EBS) or TFOET certificate. Delegates must hold a valid OGUK (or equivalent) medical AND possess a certificate of fitness to undertake shallow water CAEBS training issued by a registered OGUK doctor OR A valid ENG 1 Seafarer Medical Fitness Certificate* (or equivalent) *please note, that if the Medical Fitness Certificate includes a restriction or is subject to conditions, the delegate must possess a statement from an appropriate registered practitioner stating that this does not result from a respiratory or ENT condition and that it is safe for the delegate to participate in shallow water CAEBS training.

Objective	The objective of this course is to provide all delegates with the opportunity to practice and demonstrate emergency response skills which are not possible to practise during drills, exercises and emergency training offshore.

Contents	The FOET with CAEBS and EBS training covers the following areas: Helicopter travel: • Practical procedures for helicopter emergencies, with a focus on escaping from a helicopter during ditching. • Use of CAEBS in dry conditions and shallow water. • Use of EBS in underwater ditching scenarios • In water survival techniques First aid: • Emergency first aid procedures including CPR Firefighting and self-rescue: • Practical use of handheld fire extinguishers and self-rescue techniques to aid escape from low visibility and smoke filled areas

---

Exam	The course is a mix of both practical and theoretical sessions during which delegates will be required to demonstrate their knowledge and understanding of the course contents. Upon completion of the course, delegates will be awarded with an OPITO-approved FOET with CAEBS certificate and an OPITO-approved FOET with EBS certificate Certification is valid for 4 years. Prior to expiry delegates must undertake the FOET with CAEBS and EBS course to remain certified.
