

Course code	IBSRDL647
Course name	Hand Safety Awareness (OSHA) - Digital Learning
Duration	Oil & Gas Industry
Target group	No prerequisites are required to sit this course.
Prerequisites	No prerequisites are required to sit this course.
Objective	Understand Hand Safety Awareness
Contents	<p>The Occupational Safety and Health Administration is an agency of the United States Department of Labour.</p> <p>The OSH Act covers most private sector employers and their workers, in addition to some public sector employers and workers in the 50 states and certain territories and jurisdictions under federal authority. Those jurisdictions include the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, Northern Mariana Islands, Wake Island, Johnston Island, and the Outer Continental Shelf Lands as defined in the Outer Continental Shelf Lands Act.</p> <p>Your hands are your most used tools on the job, and are exposed to more hazards and potential injuries than any other part of the body. Preventing hand injuries begins with paying attention, as well as identifying and controlling hazards in the workplace.</p>
Exam	The assessment is taken during the course and is within the expected duration.
