# Enclosed Space Entry & Rescue + Atmospheric Testing

| | |
|---|---|
| **Duration** | 5 |
| **Target group** | Royal Caribbean Cruises Ltd.<br>In order to have a generic approach related to enclosed space entry and enclosed space rescue,<br>across the entire fleet of Royal Caribbean Cruises Ltd. (RCCL) and its affiliated Brands (e.g. Royal<br>Caribbean International, TUI Cruises, etc.), RCCL requested the development of a bespoke training<br>course in which company specific procedures, documentation, etc. is implemented. Besides the<br>training of Enclose Space Entry & Rescue, also Atmospheric Testing should be an important part of<br>this bespoke training course. |
| **Prerequisites** | SPECIAL COURSE Royal Caribbean |
| **Objective** | SPECIAL COURSE Royal Caribbean |
| **Contents** | SPECIAL COURSE Royal Caribbean |
| **Exam** | |
