

OER22171

OIM Controlling Emergencies (OPITO)

Duration	1 day
Target group	Offshore Installation Managers (OIM).
Prerequisites	<p>Conditions for Participation: Prior to taking this formal assessment the candidate is to provide written evidence of being qualified to act as an OIM and has had a leading role in maintaining the emergency preparedness on an offshore E&P installation (Element 1.1 of OPITO OIM CE Standard).</p>
Objective	<p>The OPITO OIM Controlling Emergencies assessment determines if an OIM is competent to lead a well-trained Emergency Management Team during Major emergencies on an offshore installation. During the assessment candidates will be confronted with incidents that can occur while executing daily activities on an offshore platform.</p> <p>Objective: To formally assess a candidate's ability to show effective leadership during major emergencies on offshore installations.</p>
Contents	<p>Controlling Emergencies Outcome 1: Maintaining a State of Readiness Outcome 2: Assessing the Situation and Taking Effective Action Outcome 3: Maintaining Communications Outcome 4: Delegate Authority to Act Outcome 5: Managing Individual and Team Performance Outcome 6: Deal with Stress in Self and Others</p>
Exam	<p>The candidate will be assessed against the following competences in order to:</p> <ul style="list-style-type: none"> 1.1 Maintain a State of Readiness 1.2 Assess Situation and Take Effective Action 1.3 Maintain Communication 1.4 Delegate Authority to Act 1.5 Manage Individual and Team Performance 1.6 Deal with Stress in Self and Others <p>The candidate will be assessed during no less than 3 control room simulations during which the candidate has the role of OIM.</p> <p>The candidate will be assessed by means of continuous evaluation by a trained, qualified and industry experienced Assessor.</p> <p>By the end of the course the candidate is to receive a written and specified assessment with the following possible results:</p> <ul style="list-style-type: none"> -Competent to show effective leadership to a well trained team during an Emergency; -Not yet competent to show effective leadership to a well trained team

during an Emergency.

The candidate is to score a 1 on all 3 simulations presented to him/her to achieve a positive assessment outcome. To obtain a second chance a candidate needs to show reasonable promise to be successful on re-assessment. Only one simulation per delegate can be reassessed.
