

Course code	RFA2021
Course name	Refresher First Aid (GWO)
Duration	1 day
Target group	<p>The Basic Safety Training (BST) is designed to provide personnel with the basic skills that will enable them to work in a safe manner in the wind industry and to meet emergency response training requirements for personnel new to the global wind industry. It is designed to accommodate personnel working both onshore and offshore.</p> <p>Target group is personnel working in the wind industry or related fields needing to refresh their GWO BST/BSTR First Aid module.</p>
Prerequisites	<p>Delegates must possess a valid BST or BSTR First Aid certificate.</p> <p>Delegates participating in the Basic Safety Training must be demonstrably medically fit and capable of fully participating.</p>
Objective	<p>In the First Aid GWO refresher module RelyOnNutec helps participants to review and build on previously gained knowledge and skills in a theoretical and practical training. In case of casualties First Aid knowledge of proper procedures, use of available equipment and normal functions of the human body and symptoms of illness or injury is essential. Proper practical exercises are a major part of this course.</p> <p>The aim of this BSTR First Aid module is to review and build on previously gained knowledge and skills through theoretical and practical training.</p> <p>WINDA is the global database which is used by the Global Wind Organisation (GWO). WINDA will make verification of training possible for training providers and employers. Delegates will have ownership of their own training records in WINDA. Participants will no longer be issued with paper certificates. RelyOnNutec will upload a digital record of the GWO certificate in WINDA. If you are participating in a GWO training course you must register for a delegate profile in WINDA. After registration you will receive a WINDA ID. You need this WINDA ID to book the training. Without a WINDA ID we are not able to produce certificates. To register for a delegate or organisation profile, please visit: winda.globalwindsafety.org.</p>
Contents	<p>All learning outcomes which are stated in the GWO BSTR Module First Aid</p> <p>To include:</p> <ul style="list-style-type: none"> - Anatomy - Life saving first aid (ABC) - Use of AED - Scenario based practical exercises
Exam	<p>The delegates will be assessed against the learning outcomes.</p> <p>The course assessment is carried out by the instructor being satisfied of individual competencies through questioning, observation and the use of the control measure form.</p>
