## Aircraft Ditching Course King Air with EBS

---

<b>Duration</b>	1 day / 8 hours of training
-----------------	-----------------------------

---

<b>Target group</b>	Aviation
---------------------	----------

---

<b>Prerequisites</b>	No current prerequisites for this course.
----------------------	---

**ITEMS REQUIRED FOR TRAINING:**

- When checking in for training, please have your GOVERNMENT ISSUED PHOTO ID with you (ie: Passport or Drivers Licences, etc.)
- Shorts, T-Shirt, and Socks for pool exercises
- Towels, shower facilities on site
- Lock for locker
- A change of clothes for Sea Day (in the winter bring warm clothes such as a sweatshirt and sweatpants)

PLEASE NOTE: Certificates CANNOT be issued unless valid Government issued ID has been presented on Day 1 of training for all RONC courses, including OPITO approved training.

Course activities will involve various physical activities.

---

<b>Objective</b>	Upon successful completion of all training components, in accordance with the Training Standard, trainees will receive a RelyOnNutec Canada certificate that is valid for three (3) years and a electronic wallet card certificate. The certificate indicates: "Aircraft Ditching Course with EBS (Fixed Wing)"
------------------	---

---

<b>Contents</b>	<p>The ADC-FW course is designed to provide emergency response training specific for aircrews flying in fixed wing aircraft while performing overwater operations.</p> <p>This training program will give aircrew and passengers the knowledge and survival skills necessary to prepare for water ditching, egress the aircraft, and utilize their equipment to survive until rescue arrives.</p> <p>In addition, this course will provide realistic fixed-wing ditching scenarios that will include surface abandonment and submerged egress with and without a compressed air Emergency Breathing System (EBS).</p>
