Workplace NL Fall Protection Refresher

Duration	1 day
Target group	Industry
Prerequisites	<p>To be eligible for recurrence training you must complete the 8 hour training PRIOR to the anniversary date of your 16 hour training. Candidates that do not hold a valid Fall Protection certificate will have to complete the full 16 hour training.</p> <p>Trainees need to bring: - When checking in for training, please have your GOVERNMENT ISSUED PHOTO ID with you (ie: Passport or Drivers Licences, etc.)</p>
Objective	<p>Upon successful completion of all training components, in accordance with the Training Standard, trainees will receive a RelyOn Nutec Canada certificate that is valid for three (3) years and a electronic wallet card certificate. The certificate indicates: " Workplace NL Fall Protection Refresher"</p> <p>Trainee will also be able to access their Workplace NL Fall Protection Certificate from the Workplace NL CTR (certification training registry)</p>
Contents	<p>Fall protection is required for workers who work at three (3) metres (10 feet) or more above the nearest safe surface or water, above a surface or thing that could cause injury if the worker were to fall, or above an open pit, tank or vat containing a hazardous substance.</p> <p>Fall protection includes a harness, net, rope, body belt, structure or other equipment and or device that will restrain a worker who is at risk of falling or stop a worker who has fallen. Any worker who uses fall protection is required to complete a fall protection training program prescribed by Workplace NL as outlined in Section 139 of the Newfoundland and Labrador Occupational Health and Safety Regulations, 2009.</p> <p>Recurrence training will be 8 hours in duration for recertification and consist of 4 hours for a review of theory and 4 hours for practical exercises.</p>
Exam	Yes
