

MBS824

STCW Proficiency in Fast Rescue Boats Refresher

Duration 2 days

Target group Marine/ Offshore

Prerequisites A person must be of at least 16 year of age
A person must hold a Proficiency in Fast Rescue Boats (FRB) to participate in this course.

ITEMS REQUIRED FOR TRAINING:

- When checking in for training, please have your GOVERNMENT ISSUED PHOTO ID with you (ie: Passport or Drivers Licences, etc.)
- Shorts, T-Shirt, and Socks for pool exercises
- Towels, shower facilities on site
- Lock for locker
- A change of clothes for Sea Day (in the winter bring warm clothes such as a sweatshirt and sweatpants)

PLEASE NOTE: Certificates CANNOT be issued unless valid Government issued ID has been presented on Day 1 of training for all RONC courses, including OPITO approved training.

Course activities will involve various physical activities.

Objective This refresher training course is designed to comply with the regulations and to refresh the seafarers' skills in basic emergency duties through demonstrations and practical drills and exercises.
Upon successful completion of this course the trainee will maintain the minimum standard of competence in fast rescue craft, a trainee will continue to be competent to handle and take charge of such boats during or after launching in adverse weather and sea conditions. They will be able to operate a fast rescue boat engine. A trainee will know how to properly right a capsized fast rescue boat.
Trainees will know the correct use of all locating devices, including communication, navigation and signaling equipment between the rescue boat and a helicopter and the ship; and how to carry out search patterns.

Contents This course meets the requirements of Table A-VI/2-2 of the STCW Convention Proficiency in Fast Rescue Boats as well as the requirements of TP 4957 MED Training Courses Section 15 Refresher Training Course in Proficiency in Fast Rescue Boats (REF-FRC).

Seafarers qualified in fast rescue boats in accordance with STCW Convention Chapter VI, Section A-VI/2, paragraph 10, must, every five years, provide evidence of having maintained the required standard of competence to undertake the tasks, duties and responsibilities listed in column 1 of table A-VI/2-2 of the Convention.
