## **Contents**

The course is available in the following languages: US English; Turkish; Mexican Spanish.

Mexican Spanish.

The aim of this course is to provide you with an understanding of the TRA process, the need to identify all hazards associated with the work, what a TRA is, how and when it should be carried out, and the responsibilities of each person within the process.

Employers should provide additional training when a new hazard/procedure/condition or piece of equipment is introduced into the workplace or "unscheduled" refresher training is recommended as directed to address inadequacies in knowledge and to address unsafe acts/deviations from procedures

acts/deviations from procedures.

## **Exam**

The assessment is taken during the course and is within the expected duration.
